MEMORANDUM FOR: Director of Communications  
Director of Security  
Director of Training

SUBJECT : FY 1970 Annual Report to the President's  
Foreign Intelligence Advisory Board (PFIAB)

1. Attached are your Office's portion of last year's report to the PFIAB and a draft of the FY 1970 accomplishments based upon Program Call data on file in O/PPB.

2. Please review and modify the FY 1970 draft, paying particular attention to completeness, pertinence and statistical accuracy. You should add any accomplishments which have not been included in the draft. O/PPB must prepare an appendix describing significant gaps and deficiencies; these should be identified and reported at the end of each section. External policies and practices (for example, OPRED) adversely affecting your Program should also be identified.

3. Please let me have your response by 1 July 1970 or earlier if possible.
